HISTORY

Coach Jim Graver started the Leo ball rolling in 1957 and chances are that ball was a baseball. Graver was the baseball coach of the Abington High Sch[illegible] and an active member of the Glenside Lions Club. With help from his fellow [illegible]st, the first Leo club was charted on December 5, 1957.

As the world's first Leo club, the Abington High School Leo Club created the Leo acronym - Leadership,

Equality, Opportunity - and they chose their school colours, maroon and gold to serve as the Leo club colours. Later, Equality was changed to Experience. In October 1967, the board of directors of Lions Clubs International adopted the Leo Club Program as an official program of the association. The Leo Club Program has been growing strong for over 50 years in Sri Lanka. Community service remains the cornerstone of the program. Like their Lion counterparts, Leo club member, enjoy serving their neighbors and watching positive results unfold.

In 1969 the First ever Leo Club was inaugurated in Sri Lanka, Leo Club of Wattala, and the program became popular among Lions which they paved way for many youth by organizing more Leo Clubs. In order

To better fulfil both administrative and service requirements, District 306 was divided in 1978, to two Districts - namely 306A and 306B.

With this division, Sri Lanka's Multiple District 306 was born. Under the new structure, the two sub District 306 a and 306 B were able to serve more effectively.

With the passage of time, District 306 A and B expanded their network steadily. For administrative purposes, the need for redistricting was once again necessary and in 1998 the Multiple District 306 re-demarcated to three Sub Districts, 306 A, B & C.

Due to the rapid growth of the Leoism once again in the year 2004 / 2005 another redistricting programme was carried out re-demarcating to 6 Sub Districts - 306 A1 & A2, B1 & B2, C1 & C2. However, after the establishment of 306 A1, as the Leos of 306 A1, we have conducted and will continue conducting various activities to the needy children and elders, furthermore the environment and healthcare as well as the betterment of the Leo Movement and its Members.

As the Multiple District President's theme, "Embrace Yourself," reminds us, our journey in Leoism is not just about serving others but also about personal growth and self-acceptance. Embracing who we are allows us to harness our unique strengths and contribute more effectively to our cause. This theme aligns perfectly with the five key areas we should focus on: strengthening our foundations through effective administration, ensuring sustainability in our initiatives, keeping our efforts aligned with the core values of the movement, continuously developing and empowering our members, and fostering unity and camaraderie among all members. Your efforts exemplify the true essence of our movement – to serve, to lead, and to inspire. Whether it's through organizing community outreach programs, supporting local initiatives, or empowering individuals, each project you undertake contributes to a better society. As the Multiple District Treasurer of Leo Multiple 306, I am incredibly proud of the milestones you have achieved. Your unwavering commitment and tireless efforts serve as a beacon of hope and a testament to what can be accomplished when passionate individuals come together for a common cause. I encourage you to continue striving for excellence, to embrace new challenges, and to keep pushing the boundaries of what is possible. Your journey is a powerful reminder that together, we can create a significant and lasting impact on our communities. Thank you for your dedication and hard work. I wish you all continued success in your future endeavors and look forward to witnessing the great things you will accomplish.

Best regards,

 Initiation Ceremony for New Members The Leo club president, the Leo [illegible] or a specific Lions club officer performs the ceremony for the initiation [illegible]

The presiding officer calls the meeting to order with these wo[illegible]

“We are about to begin the initiation ceremony which will we[illegible] new members to the Leo Club of Negombo Catamaran. This is a most important [illegible] for these members

and for our club, and I sincerely request your attention and silence as the membership is during the ceremony. Please withhold any applause or demonstrations until the end. I will now call the names of the new members and as I do, I request that they please come forward."

The presiding officer calls the names of the new members. When all the candidates are standing, the officer says:

"On behalf of the officers and members, I welcome you to the Leo Club of Negombo Catamaran . You have been invited to become members, and we are all happy and proud of your decision to accept.

"Membership in a Leo club is a privilege. You are about to enter a program that extends throughout the world. It began in 1967 as an official activity of Lions International. Leo goals include high moral standards, personal responsibility, an attitude of cheerfulness and understanding, and in addition, extending a helping hand to those in need.
"Now, in your own community and with your own acquaintances, an entire series of challenges await. You are not alone in your efforts. At all times, you can count on the encouragement and cooperation of your fellow Leo club members, officers, and the Leo club advisor. They will be happy to help you achieve the high goals which you have adopted.

"Once again, I express my congratulations to you for having joined this club. I now ask that you repeat after me the obligation of membership: 'I...(each one should state his/her name)...in the presence of the members of the Leo club...take on this solemn obligation...to abide by the constitution and bylaws of the club...to attend all meetings regularly...to support and further the interests of the club...in all its undertakings...and to contribute my fair share...towards the financial support of the club...I further declare that I will assist in maintaining...building...and strengthening the membership of the club...that I will help the club...by actively serving on committees and in other capacities...where my efforts are needed...And finally...that I will develop in

myself...those qualities...of cheerfulness, service, and loyalty...which should characterize a Leo club member...at all times.'
You are now members of the Leo Club of Negombo Catamaran ."
(If in person, the presiding officer now pins a lapel button on each new member and presents a membership card and membership certificate.)

After induction:

• Assign the new member to serve as greeter at the next few club meetings. This will give the newcomer an opportunity to meet every member.

• Integrate the new member into an existing committee.

• Invite the new member to an informal social gathering with the officers of the club.

• The membership chairperson should ensure that the new member receives proper orientation to the Leo Club Program and a New Member Kit with lapel pin. The membership chairperson should be willing to answer all questions and should offer to accompany the new member to the first few meetings.

Whenever a Leo moves to another location, officers should encourage that member to join the local Leo club. If a Leo club does not exist, the officer should encourage the member to speak to a local Lions club about sponsoring a Leo club.

The future of every Leo club depends on current Leo officers and members. When the Leos work together, recruiting and motivating new members provides club growth. Assuring the continued existence of a club is a valuable service that Leos can perform for their community
