CATAMARAN SPORT FIESTA

PHASE 01

The Catamarans Sports Fiesta – Badminton Edition, organized by the Leo Club of Negombo Catamaran, took place on February 1st, 2025, marking a successful event that brought the community together. With 50 enthusiastic beneficiaries participating, the event focused on promoting physical fitness, teamwork, and sportsmanship. The project, valued at Rs. 20,000, provided a platform for participants to showcase their badminton skills in a friendly yet competitive environment. The event not only fostered sports culture but also strengthened the bond among local community members, achieving its goal of creating positive and impactful engagement. It was a rewarding experience for all involved.

Arunu Matha

The restoration project for the Arunu Matha statue, held on February 12th, was a remarkable success, benefiting 150 individuals from the local community. With a project value of Rs. 500,000, this initiative aimed to repair and restore the statue in Madurankuliya, Puttalam, a symbol of faith and hope for the people of the area.

The statue, which holds significant cultural and spiritual value, had fallen into disrepair over time. Recognizing its importance to the community, the restoration work was undertaken to preserve its legacy and ensure that it continued to serve as a beacon of hope and unity for future generations. The project not only focused on the physical repair of the statue but also sought to revive the sense of pride and community spirit that it represented.

Baw Yalu

To build a lasting bond between the community and street dogs, fostering an environment of mutual respect and care. The aim is to not only help street dogs in the short term but also create a sustainable model where the community takes ownership in looking after these animals. By engaging local residents, volunteers, and organizations, we seek to instill a sense of responsibility for the well-being of the animals around them. This long-term commitment will help ensure that future generations of street dogs are treated with kindness and provided for with dignity. Our goal is to inspire others to take action, whether through offering meals, protecting animals, or spreading awareness of their needs.

.*Sunset Promises*

Hand in hand, beneath the sky,
Where colors fade, yet love won’t die.
The palms may sway, the night may call,
But in your arms, I have it all.

A whispered breeze, a silent vow,
Forever starts with here and now.
Though the sun may set, love stays bright,
A golden flame in endless night.
