RHYTHM
BACK BY DEMAND

The Rhythm project aims to create an exciting event where the community comes together to support local talents, featuring a Bollywood-themed fellowship. This event will raise funds for future projects focused on important social needs like education, healthcare, and poverty reduction. Rhythm also wants to highlight new and emerging singers and performers, giving them the chance to gain more exposure. Overall, the goal is to bring the community closer, celebrate cultural diversity, and make a positive impact on local arts and social issues

INSPIRING LIVES

PULSE OF HOPE

The project called "Pulse of Hope" focuses on collecting blood donations to be given to the Narahenpita Blood Bank for patients who need transfusions. This initiative brings the community together, helps fill the gap in blood supply, raises awareness about the importance of blood donations, and allows hospitals to care for patients in emergencies, surgeries, or with long-term illnesses. The project also honors the memory of the late Ms. Binu Hiranya through this important community-driven effort.

BAW YALU

The main purpose of "Baw Yalu" is to care for stray dogs by giving them regular food and basic medical help. This project reduces the suffering of the animals, improves their health, and makes the streets safer for everyone. It also helps prevent diseases and encourages people to be more caring and responsible toward animals.

CLEANUP SRI LANKA

Leos Cleaning Up the Beach, in partnership with Lions, will remove harmful waste that hurts marine life and help raise awareness about the environment. This community project encourages teamwork and responsibility while promoting safe and sustainable ways to keep the beach clean and safe.

The Ocean

She crashes onto the serene beach, and runs back away out of my reach, taking away all worries,
and leaving back all its memories.
As she swallows the mighty sun, On the beach remains no one, but on her crystal clear waters, reflects one of the sky's daughters.
As the moon shines on her, the waters do not stir, it remains in delight, dancing in the moonlight.

GREETING ESSENCE

MESSAGE FROM DISTRICT PRESIDENT

Dear Catamaran Leos,
First of all I would like to convey my heartiest congratulations on your tremendous victory at the 19th district conference held last on being the most outstanding your Club of the year of Leo district 306 B1 for the third consecutive year
Talking about the Leo Club of Negombo Catamaran, it's not a strange club to me. Since you beginning itself Leo Club of Negombo Catamaran is a familiar place to me as we built stronger bonds, not only in this moment but also
outside of the moment as well.
With a short time of being established Leo Club of Negombo Catamaran could achieve a number of recognitions not only in the district level but also in multiple level.
Not stopping in the recognitions, you have produced remarkable leaders to this
moment, I would like to mention your charter President here, current Multiple District
secretary Leo Suwan Gomes who has done a great contribution towards to the
betterment of your club as well as to the district and currently doing a good job in the
multiple level.
Finally I would like to congratulate Leo Shenal Tissera for the outstanding performance
showcased during the last fiscal year. It was a great year to you as your dedication and
you are leadership has brought your club into another level.
I am pretty sure that the newly installing club president Leo Ardithya Weerasinghe
would definitely keep it up and bring it to a another level.
My dear Leos, I would like to state that this is the last year which we can celebrate the
name of Leo district 306B1 as well as the last time we can proudly say B1.
By being a B1 Leo has brought a unique recognition in so many occasions.
So let's celebrate this year with wonderful memories, keep the momentum into
ciazically, make cherished moments and finish it with the shiny way.
Thank you
"Thriving for Excellence"
Leo Lion Nishane Silva District President 2024/25
